GO, MAKE DISCIPLES OF ALL NATIONS

At times, we hear something that radically changes our thinking. It even stays with us the rest of our life. On Friday, January 24th, I boarded a Church bus to attend the MARCH FOR LIFE RALLY in Washington D.C.

On the bus was the man who taught me Drivers Ed while a Sophomore in High School. I had not seen this teacher in fifty-two years! It was a real blessing as we had a warm exchange after such a long time. I told him I still remember fundamentals he taught me about safe driving. One thing in particular made a profound impact which remain to this day: "it's better to drive slower than faster because if you make a mistake, it's easier to correct if driving slower." Good advice! (P.S. – I'm not saying I always followed it)!

When I hear people talk about disturbing issues in their city, town or Country, I always affirm that the best way to change your community is to WIN people to Christ and DISCIPLE them. That's what *Harvest Fellowship International* is all about.

This past week, I was watching an exceptional Bible teacher on TV. You might say, he 'one-upped-me.' He said that indeed we are called to disciple individuals; but the ultimate goal is to disciple *whole nations*.

Now *that* can radically affect one's thinking.

Let me be clear, I firmly believe in the principle of 'Won-by-One.' We change our World one person at a time. But *Harvest Fellowship* is adjusting its vision to also think in terms of Nations. I believe our Ministry is now in the process of making a significant stride forward. We have confidence only in Him and none in ourselves.
