HARVEST FELLOWSHIP IS ON THE AIR!

As many of you have heard (or read), our Ministry has begun a TV outreach! Our first program was on March 16th. Yes, we're very excited! But at the same time, we realize the magnitude of the task. I was overseas for 17 days. We taped 32 half-hour programs. The experience was new, different, challenging and sometimes humorous. For example, I had to put on make-up for the first time in my life. Weird!

With everything, God was faithful. In the upper left-hand corner of our *Newsletter* is the logo which opens our telecast. It reads: "God's Prophetic Word." Our show has a *twofold* purpose: to teach the Word *and* minister prophetically using the Gifts of the Spirit - which we did.

CHANNELS

Our program can be viewed on the *ASTRA44* Satellite Network. It can also be seen on the WEB SITE of our home base, *New Christian TV* in Kharliv, Ukraine: www.nc-tv.com plus Facebook: <https://www.facebook.com/hewchristianTV/>
In the Ukraine, nine cable Networks carry the broadcast.

FORTY-TWO COUNTRIES

The map displays the 42 Countries we're reaching: Austria, Azerbaijan, Belarus, Belgium, Bulgaria, Croatia, Czech Republic, Denmark, Estonia, Finland, France, Georgia, Germany, Great Britain, Greece, Hungary, Italy, Latvia, Lithuania, Moldova, Morocco, Netherlands, Norway, Poland, Portugal, Romania, Serbia, Slovakia, Spain, Sweden, Syria, Turkey, Ukraine and all of Israel. Our program can also be seen in parts of the following Nations: Russia (European), Northern Egypt, Turkmenistan, Uzbekistan, Kazakhstan, Iraq and Iran!

THANK YOU

We have been able to expand into TV only because of your faithful support over many years. Who would have ever thought that one day we would be reaching 42 Countries via the media? Amazing! As we do more, we are trusting Him for more. The overall cost is incredibly *inexpensive* compared to American prices. Yet Harvest Fellowship has entered a new level. Your contributions have brought us to this point. Now, your support has the potential to affect *tens of thousands*. Thank you for your prayerful consideration. God bless you! This is exciting!
