LAUNCHING A NEW TV MINISTRY

OUR EXCITING VISION

We are writing to ask for financial support. Most of you know me and there is no need to be subtle or covert. **You** have been incredible partners for years and blessed us with your prayers and financial support. Now *Harvest Fellowship International* is on the precipice of something very different. Our decision to utilize TV is very new and very challenging. But at the same time is also very exciting. Why?

OUR EXCITING HISTORY

Over the past 28 years, we could present a *thousand* testimonies of HIS love and power. (Quite honestly, I don't think a Newsletter adequately conveys the miracles that are a *regular* part of our Ministry). In our last trip alone, at a Church Anniversary Celebration, two well-known established Pastors blessed us with their personal reports of the *miraculous* in our Ministry. At another Church, the assistant Pastor introduced us as a Ministry that has been given prophetic words not only for individuals, *but for the entire Country*.

Despite all our years, with every trip, we never tire of seeing God continually manifest Himself with:

- Many healings
- Including married couples who could not have children
- Multiple Prophetic words fulfilled
- Men and women entering into their ministry
- Blessing & Encouraging Pastors

OUR EXCITING UNIQUENESS

God gives each legitimate TV Ministry its own uniqueness. Ours will be twofold: teaching the Word & operating in the Prophetic with the Gifts of the Spirit. Some programs could be *all* prophetic. That's also exciting! This nuanced format will reach the many new believers & unbelievers. The Bible states that prophecy impacts both! Because of His past faithfulness, we believe the Lord will bless *HFI* with even more of the *miraculous* thru TV!

OUR EXCITING NEED?

This new outreach boosts *Harvest Fellowship* into a completely new financial category. We have already purchased over \$10,000 worth of equipment. Real costs include air-time, translation, a new state-of-the-art studio (one-time expense), production manager, extra overseas travel and a possible office and staff in the Ukraine. Preliminary estimates would be about \$30,000 – a substantial increase to our yearly Budget.

MAY WE ASK YOU TO CONSIDER A HUGE FINANCIAL GIFT TO HELP LAUNCH OUR TV MINISTRY?
