## UKRAINE: MAY 1 – 13

A double-header for sure! Maybe a triple-header! A huge Conference, followed by an anointed Retreat, completed by ministering in four new Churches! Spirit-led singing, dancing, shouting, praying – often with no time-limit – not to mention the preaching and teaching.

One speaker stated that the two-day Messianic Jewish Conference was the largest in *history* totaling 6,000 attendees. Think of that: a gathering sponsored by a Messianic Jewish Congregation, with Messianic Jewish speakers, attended by Messianic Jewish believers from 30 Countries. When was the last century that happened?

We were blessed by the ministries of Heidi Baker, Sid Roth, Misty Edwards & the host pastor, Boris Gryshenko.

The Conference was followed by a week-long Retreat. The Retreat had about 1,300 people registered from twenty countries. I think this can be said without exaggeration: *you have never experienced anything like this in your life!* We could not enumerate all the highlights but I was personally blessed by the music of Misty Edwards and her team from IHOP. Every time they began to sing and worship, the presence of the Lord was so powerful.

## TV MINISTRY

While in Kiev, I had a second meeting with the director of the *New Christian TV Station*. He was most gracious and accommodating – a genuine servant of the Lord. He made our Ministry a new offer - a type of 'package deal' that could be very beneficial to *Harvest Fellowship International*. Please continue to pray as we move forward.

## JERUSALEM PRAYER BREAKFAST

We are presently (June 1 -7) in Israel for the third annual *Jerusalem Prayer Breakfast*. As explained in earlier Newsletters, this assembly was initiated by the Israeli Knesset (Congress) who asked Evangelical Christians to join them in praying for Jerusalem. Astounding!

The event, hosted by the Government, attempts to gather major Political, Business and Religious leaders from around the world. Not merely a nice name, *real* prayer takes place by Jews and Christians coupled with speakers.

Since its inception, the *JPB* has become a kind of world-wide movement, already having meetings in England, Uganda, Orlando and San Antonio. Future 2019 meetings are scheduled for Holland and Finland. Our goal is not only to pray for the peace of Jerusalem but also to foster positive relationships between the Countries of the world and the Jewish State. We want everyone, everywhere, to stand with Israel, including *all* politicians in the USA!

## THANK YOU

We thank everyone who has responded to our new TV vision! All prayers and financial support are greatly appreciated and never taken for granted! God bless you! We love you! Contributions also possible thru:
