COVID 19

WOW! What a strange time in our History. My Dad just celebrated his 98th birthday. He's seen a lot in his lifetime. He went thru the Great Depression, served in World War II, raised six children and built a successful business. With him, our generation has witnessed the assassination of a President, Viet Nam and 9/11.

But this Pandemic is something *none* of us has ever experienced. We've been confined to our homes. We've been ordered to do certain things. Various freedoms have been temporarily (we hope!) suspended. One has to think twice and remember we're still living in America! On top of all this, now we have rioting in our cities.

Without question, the pandemic was real. Without question, many have died. Without question, the economic and psychological repercussions are enormous. *But without question, true believers will get thru this!*

PSALM 91

By the grace of God, I do not know of one friend, Church congregant, family member or overseas brother or sister who has contracted the coronavirus – *not one!* In the NOG Bible, Psalm 91: 5 & 6 reads: "You do not need to fear terrors of the night, arrows that fly during the day, *plagues* that roam the dark, *epidemics* that strike at noon." Millions have discovered the truth of His promises during these arduous times.

THE REMNANT OF TRUE BELIEVERS

In II Thess 2:7, Paul mentions a restraining force on the earth that is keeping lawlessness from prevailing. In America, many have received Christ as their personal Savior. Few have paid the price of discipleship. Recently the pollster, George Barna, stated that only 6% of believers have a Biblical worldview.

Despite this deplorable figure, *His* remnant will make an impact that will usher in the greatest Revival in American History. This move of God will affect *every* aspect of our society and touch the world.

OUR RESPONSE: ACTIVE, AGGRESSIVE APPROPRIATING FAITH

Don't wait for things to happen; make things happen. Get ahold of God's will for your life by spending much time in His presence. Boldly confess the Word of God over your life. Claim all the promises. (One of those is to walk in health, not sickness). Ask God to make you a soul-winner. Then prepare to DO what He tells you.

Our nation's unusual period has doubtlessly given us more time to reflect, pray and get into His Word. Have we done this? If so, ignite the type of faith that will change your circumstances: ***active, aggressive, appropriating.*** Move forward! You'll discover miracles have been waiting for you!

THANK YOU & PLEASE PRAY

We thank all of you for your support. Please pray for two things in particular: our TV Ministry and the ability to travel. Both are at the heart of *Harvest Fellowship International*. Covid 19 has especially affected communication with our telecast operators but God will work it out. God bless you. We love you!
