TV MINISTRY

Several weeks ago, I was invited to attend a Messianic Congregation. A special speaker was scheduled. Interestingly, the guest minister was from the very city where our TV Channel is headquartered - Kharkiv, Ukr. Also, this Pastor formerly worked in TV for twenty years as a reporter; even owning his own production studio. We understood this meeting as further confirmation that we're on the right path. Please continue to pray!

CALIFORNIA

On June 24, the California State Legislature passed resolution ACR 99 which instructs Pastors and Christian Counselors to *affirm* the homosexual lifestyle and to make no attempts to *convert* them. ACR 99 goes on to *blame* Church & religious leaders for the high rate of suicide in the LGBT community! Unbelievable!

To be clear, at this point, ACR 99 is NOT a Law - only a resolution. However, according to Roger Gannam, VP of Legal Affairs for the *Liberty Counsel*, this resolution could serve as a type of 'foundation' for future proposed legislature that may become law. We could devote our entire Newsletter to this issue but please pray! *CBN NEWS*

MILLENIALS

On the other hand, a new Poll reveals that Millennials (ages 18 – 34) are becoming less and less favorable of the gay lifestyle. According to a new *Harris Poll*, whose CEO is pro-homosexual, general support has declined 18% over the past three years from 63% to 45%. Today, 36% of Millennials are not comfortable when they learn that a family member is homosexual; likewise 42% of Millennial males when hearing that their child was taught a lesson in school on the LGBT lifestyle. *AMERICAN FAMILY ASSOCIATION*
