ISRAEL: SEPT 4 - 16

Visiting Israel is special! Ministering in Israel is *very* special! Biblically, it's the land of miracles. The undeniable existence of modern-day Israel is in itself an awesome miracle.

On the plane, in the last hour before arrival, I had the opportunity to share Christ and pray for the passenger next to me. That's a good beginning! Then there was dinner with the officially-recognized number one scientist in the entire Country. A rare honor! Then witnessing to a young Arab man who worked at the Hotel. A divine appointment if there ever was one! Then being asked to minister prophetically to about a dozen senior citizens, children of Holocaust survivors – almost all of them NOT saved – now that was different!

As pastors, our goal is to have 'fruit that remains' (JN 15:16). When we last served the Congregation located in Rishon, the Holy Spirit powerfully ministered to 3 sisters from different countries: Croatia, India and Nicaragua. All were students at the University and first-time visitors. The three seemed to be 'marked' by the Spirit. What a joy to return over a year later and seeing them joined to that local Congregation, growing in the Lord and serving.

ISRAEL ELECTIONS

Most Americans find the electoral process in Israel very confusing. After two national elections within six months, another stalemate has taken place with no clear-cut winner. Theoretically, this could result in a third election within a one year period. This will not happen since everyone realizes that it would be simply too much. At this point, *rival* political parties (all seventeen!) must negotiate with each other to form a coalition that would provide a majority – an arduous and complicated process. Please pray.

UKRAINE: OCT 17 – 28

The Country of Ukraine is certainly in the news these days. I always follow developments in the Ukraine. How ironic that that our news today is so intertwined with theirs. Little did we know almost thirty years ago the twists and turns of our relationship with this Country. Pray for its new President, Volodymyr Zelensky, who is Jewish, as he navigates tense diplomatic relations. He met for the first time with President Trump on Sept. 25th.

Our ministry trips there now number over fifty. We'll be returning next month for a glorious 25th Anniversary Church Celebration in Southern Ukraine then travel north to Kiev for a second weekend of ministry.

USA GOVERNMENT

Please continue to pray for our Country and its leaders. I Timothy 2:1-4 commands us to pray for those in authority. In Matthew 24, Jesus is asked about the end of time. His answer begins in verse four with a warning: "don't be deceived." He then mentions deception in verses 5 & 24. With this continual, endless talk of impeachment, we need to pray *with* His mind and *with* His discernment *for* His purposes.
