CRISIS IN ISRAEL

We've been writing a series on how extremists in America are attempting to control the very words we speak. However, I feel compelled to interrupt our sequel due to the current deadly conflict in Israel. There is no need for me to tell any of you what's been transpiring and how tragic it has become. Nor is there any room for discussion as to who started the conflict and who owns the land.

Sunday, I was watching a documentary about the Oslo accords of 1993. The Israeli government, led by Yitzak Rabin, was negotiating 'peace' with the PLO leader, Yassir Arafat. One issue of apocalyptic importance: the Jews would cede control of Gaza & other parts of Israel to Arab control, thus giving away territory already theirs! When the negotiations became public, there were passionate pleas both for & against such a historic proposal.

In the ensuing close election, Rabin lost to Benjamin Netanyahu. During the debates, Netanyahu boldly stated his conviction that the Bible, the Torah, gave the land to the Hebrews. Rabin disagreed. Yes, we Christians believe the Bible, God's Word, gives the land to the Jews *including* Gaza and the West Bank. (see map below)

WE ARE ASKING FOR FINANCIAL SUPPORT FOR THE SUFFERING OF ISRAEL

OUR RESPONSE

It has been frustrating for me personally because, for several reasons, I have not been able to travel. Of course, no one is travelling to Israel these days. I was feeling helpless – disappointed and distressed - that I was unable to go and serve. However, there is another means by which we all can greatly bless those suffering. ***Our Ministry wants to send \$10,000.00 overseas.*** This money would be sent to Pastors we are familiar with in such cities as Ashdod, Rishon and Jerusalem. This is a special request for a special reason for a special people.

OUR GOALS

- Send \$10,000 to the suffering in Israel
- All extra offerings also go directly to Israel
- No monies to be used for administrative costs of *HFI*
- My wife and I have given the first \$1,000.00

PLEASE SUPPORT ISRAEL

Very seldom do we write asking for money. But the need is great. A Pastor in Ashdod has already sent the women and children to a safe place in the North. The men of the church have stayed behind. Amidst the bombing, these men are delivering food to the needy. For the sake of HIS people, the Jews, please be generous. Thanks.
