## **BASK IN HIS LOVE**

Bother and sisters, learn to bask in His love. Learn to set aside everything and bask in the Father's love. Pastor, set aside all your dreams and visions and bask in God's love. Parents, set aside all the responsibilities and challenges of raising a family, and bask in His love. Business and professional men and women, set aside all the cares of the 'bottom' line and bask in His love. Students, set aside your studies and learn to study Him.

The Bible declares that '*God is love*' (1 JN 4:8). Everything begins (JN 3:16) and ends with this love (1 TIM 1:5). We learn that love by looking *at* the life of Jesus in the Scriptures and looking *to* the Person of Jesus in the present. He showed us that true love is sacrificial in nature. He laid down His life for us.

This love is not obscure, capricious or ambivalent. It's not one thing one day and then something different another day. This love is not rooted in human feelings but rather in the very depths of a born-again spirit. It emanates from the reality and revelation of "*Christ in us, the hope of glory*" (COL 1:27). What we humans could never produce, God freely gives us in abundance by faith in the death & resurrection of Christ (ROM 5:8).

This love should become a deep abiding, a consistent attitude, and the dominant mind-set of our life. Begin your day meditating on His love. At night, go to bed pondering that love. During the day, look toward that love. It will change you forever.

## **SUPPORT ISRAEL RALLY**

On August 29<sup>th</sup>, Harvest Fellowship sponsored a SUPPORT ISRAEL RALLY at Honeygo Park in Perry Hall, MD. God blessed this event in a wonderful way. In a beautiful setting on a beautiful day, Political and Religious community leaders spoke on the theme: 'A Voice *For* Israel – A Voice *Against* Anti-Semitism.'

The speeches were resolute and unequivocal in their support of the Jewish State. The crowd was passionate as we all stood united in spirit. We were honored to have members of the Jewish Community present. Thank-you to all who made the rally such a success. God bless you! We look forward to the next one.

Incidentally, last week I attended a banquet featuring former Secretary of State, Mike Pompeo. Secretary Pompeo, a committed Christian, reiterated several times the importance of our Country standing with Israel

## **“UPHEAVAL – THE JOURNEY OF MENACHEM BEGIN”**

On October 28, Central Christian Assembly is showing a premier of the movie: "*Upheaval – The Journey of Menachem Begin*." Our Ministry contributed to the creation of this excellent documentary about one of the most important men in the history of Israel. I have already viewed the video & found it riveting. Plan to come!

## **MINISTRY IN ITALY**

We're excited about our upcoming Ministry trip to Italy (Oct 10 -20). Our itinerary includes a Conference in Rome, visiting some dear friends, then ministering in their Church in Pescara, Italy. Please pray for us.
