ITALY REPORT

The ministry in Italy (October 11 – 20) was truly blessed. We were scheduled to leave on the 10th but after enduring a day of absolute craziness, we returned home and left the following day. After that, things went well.

What an honor and a blessing to attend a pro-Israel event in the Italian Senate! What an encouragement to hear Senators publicly acknowledging their support for Israel and urging their country to move its embassy to Jerusalem. A second day of meetings was equally edifying.

We then traveled east to Pescara, located on the Adriatic. We met up with old friends and then had the privilege of speaking at their church pastored by a wonderful man of God. The service was anointed. Vicki had a perceptive insight likening the lock-down caused by the virus to the devil's attempt to lock believers down in their soul-life. She exhorted the congregation not to allow that to happen & to continue to pursue godliness.

ENTERTAINING GUESTS

Upon returning, I attended the 50th Anniversary of my College graduation the next day. Two days later, we entertained dear friends from overseas for several days. Then, we attended a great inter-faith event at Central Christian Assembly on Thursday, October 29th. The Jewish community joined in a premier showing of the movie *'Upheaval – The Journey of the Life of Menachem Begin.'* The entire night was a complete success.

THANKSGIVING

Normally, I would say something like "the holidays are just around the corner and we want to wish all of you a *Happy Thanksgiving.*" Well, we certainly want to wish everyone a very happy and blessed Thanksgiving but from our above-mentioned schedule, it seems for us that the holidays are already here.

Harvest Fellowship International was launched in the Fall of 1994 and incorporated in 1996. We've just completed our 27th year. Who would have ever thought we would be reaching the nations? So many have contributed to its success.

- Thank you to everyone who prays for this ministry.
- Thanks to all our loyal helpers – both here and abroad.
- Thanks to everyone who contributes to our ministry financially.
- Thanks to our monthly supporters.
- Thanks to the businesses that support our ministry.
- Thanks to our anointed Intercessors who engage in regular intercession for HFI.

We conclude by giving thanks to our amazing, awesome, faithful God Who has given all of us more than we could ever imagine. For HIM, all of us are *very* thankful.
